Arbitrary Action of Trotting Judges at Fleetwood Park.

California's Famous Turfman Barred from Tracks Because He Shipped Expressive to Terre Haute.

MR. SALISBURY'S STATEMENT

Was Informed There Would Be No Objection to His Action.

His String of Horses, Including "Sweet" Alix, Directly and Azote Now at the Nancy Hanks Track.

NEW YORK, Sept. 10 .- The California turfman, Monroe Salisbury, was to-day expelled from the trotting turf by John D. Barry, Henry Hughes and Thomas K. Egbert, judges of the postponed 2:16 race, which brought the grand circuit trotting meeting in New York to a close. The offense for which this severe measure was meted out as punishment was Mr. Salisbury's alleged removal of the trotting mare Expressive from the Fleetwood track without the permission of the judges. Expressive started in the 2:16 class race, which was begun on Friday last, two heats being trotted before darkness came to cause postponement. The mare was heavily backed as a favorite and her chances to win were regarded as extremely good, although Strontia won the first heat and Judge Austin beat her the second. When she was taken away from the track on Saturday night her backers were left in the lurch as the bets stood just the ame as if the mare was on hand to trot it out. Thousands of dollars were thus lost without giving the betters a show for their money. It was too wet to call the race on Saturday and an effort was made to bring about a compromise among the horsemen concerned, by which the money could be divided and the race declared off. Everybody agreed to this except the owner of Judge Austin, who felt confident of winning the race. The race was carried over Sunday. The owner of Expressive had an engagement for his mare in Terre Haute this week and he wanted to get away from New York at once. He, therefore, shipped Expressive along with his other horses and she did not respond to the harnessing bell when the unfinished race was called up to-day. The judges declared her ruled out for nonappearance, and after the conclusion of the contest they took the spectators' breath away by announcing that Monroe Salisbury stood expelled from all national association tracks, the claim being made that Salisbury openly defied the rules of the turf as well as the judges of the track by taking his horse from the track when she was legally in the hands of the officials. It was reported yesterday that Henry Hughes had admitted that he had consented to Salisbury's withdrawing Expressive after the postponement Saturday evening. This Hughes denies. The race to-day was won by Judge Austin, who fairly out-trotted Rose Leaf and the others in both heats, taking a new record of

Special to the Indianapolis Journal. TERRE HAUTE, Ind., Sept. 10 .- Monroe Salisbury was much surprised this evening when he was informed of the action of the Fleetwood Park judges. He says that on Saturday, when it was seen that the race in which his mare Expressive was entered, and which started on Friday, would have to go over until to-day, he talked with Secretary Mason, of the Fleetwood association, and with a Mr. Murray, a member of the association. They said they did not think there would be any objection if Expressive was withdrawn to be shipped to this city. Some one said there was a rule that would prohibit her withdrawal, whereupon Mr. Salisbury laughingly remarked that such an unjust rule would have to be changed. Mr. Mason said he would see the judges, and Mr. McHenry later saw Mr. Mason at Mr. Salisbury's request. Mr. Mason told Mr. McHenry that he had talked with two of the judges, and they assured him there would be no objection. Thereupon the mare was shipped with the remainder of the Salisbury stable. Mr. Mc-Henry said to-night that Mr. Mason told him who the judges were, but he has forgotten their names.

Noted horsemen, such as C. J. Hamlin, are indignant over the action of the Fleetwood judges and declare that Mr. Salisbury shall be, at least, temporarily, rein-

and Ocean View Handicap. NEW YORK, Sept. 10 .- It was expected that few would care to meet Stonenell at Gravesend, to-day, in the Speculation stakes, at six furlongs, with 116 up, and that only three started, with odds of 1 to 4;

His victory was an easy one and in the fast time of 1:15. In the Ocean View handicap Patrician was an odds on favorite, while the other starters were all at about the same price. The flag fell to a good start, and Dutch Skater took the lead, with Sir Excess galloping in the rear of the bunch. At the turn at the clubhouse the latter went up into the lead, and, in so doing, cressed in front of Patrician, knocking him out of his stride. Then came a driving finish behis stride. Then came a driving finish be-tween Sir Excess and Dutch Skater, and at the end the judges could not separate them, and gave it a dead heat, with the favorite third. The stakes were divided.

FANNED INTO FLAMES

FOREST FIRES AGAIN RAGING NEAR ASHLAND, WIS.

Strong Winds Have Turned the Embers Into a Destructive Blaze-Ohio Village Burned.

ASHLAND, Wis., Sept. 10.-Strong winds have fanned up the forest fires in this viclnity, and they are burning flercely in nearly every direction. They crossed what is known as the Cemetery road, south of Ashland, to-day, and the Ashland Driving Park Association, whose bulldings are located two miles out from Ashland, are in danger of destruction. The fire is also quite close to Mount Hope Cemetery, and also threatens the cemetery, with a strong wind constantly bringing it nearer. Washburn has been enveloped in a cloud of smoke all day. The following dispatch was received from Saxon to-night: "Forest fires are raging about here. Water is being hauled and citizens are moving out of their homes with all possible speed. If the wind continues for a few hours the town is lost." Saxon is a small town on the Northwestern road, and several large charcoal kilns are operated there by the Ashland Iron and Steel Company, which gives it the main support. Saxon was threatened last week, and it was hoped the timber about there had burned off sufficiently to prevent further danger. The Chequamagon Bay Logging Company says to-night that on its pine lands there is scarcely a live tree standing. This means millions of dollars losses to pine land owners.

Ohio Village Burned. MASSILLON, O., Sept. 10 .- The little village of Dalton, located nine miles north of here, was almost destroyed by fire early this morning. The fire originated in a stable, and while the direct cause of its origin is unknown it is presumed that it was started by tramps. The loss is estimated at \$200,000, the heaviest losers being the Royal Insurance Company. The postoffice and its contents were burned. The Canton, Milton and Orrville fire departments were hastily summoned and responded, but their presence was of no avail, as sufficient water could not be procured to do any good.

Burned in His Cell. ASHLAND, Wis., Sept. 10 .- The Hurley jail was gutted by fire last night. Prisoner Tom Gord started it in his cell, and was himself burned to a crisp.

Jonquin Miller Recited a Poem. SAN FRANCISCO, Sept. 10 .- With nearly all of her native sons and daughters in San Jose, the city of San Francisco has to rely upon the California So-ciety of Pioneers for a fitting celebration of the anniversary of admission day. The pioneers celebrated the anniversary by holding appropriate exercises in their hall on Fourth street. Joaquin Miller recited

an original poem and Gen. W. H. Barnes delivered an oration. Mine Superintendent Perishes. WILKESBARRE, Pa. Sept. 10 .- An explosion of gas occurred in No. 4 slope of the Pennsylvania Coal Company, at Pittston, to-day. One hundred miners at work had a narrow escape. All got out, however, with the exception of Superintendent Bryden, who was burned to death. Bryden was one of the best known mine superin-

tendents in the anthracite region. Sexton Beaten by McLaughlin. NEW YORK, Sept. 10 .- McLaughlin was the victor to-night at Dely's billiard academy in the opening game of the six nights' billiard match between himself and old Comanche Sexton. The match is for 1,500 points in blocks of 250 at the 14-inch balkline game. Score: McLaughlin, 250 points; Old Comanche, 117. High runs-McLaugh-

These two rivals for the honor of the three-year-old championship will meet at the Gravesend track Saturday. the race to be a mile and a furlong, each to carry 122 pounds. The association hangs up a purse of \$5,000 for the contest, with the stipulation of a good track.

Poison in the Wedding Cake. BRISTOL, Tenn., Sept. 10 .- News has just reached here that a number of persons were poisoned at a wedding supper in Scott county, Virginia. Investigation revealed that the wedding cake contained "Rough on Rats." Elizabeth Peters, "Zac" Peters and Albert Lane are said to be dangerously ill from the effects of the poison.

Expert Diamond "Nipper" Caught. ST. LOUIS, Sept. 10 .- James C. Bryant, alias J. C. Borton, with several other names, has been arrested here for diamond "nipping." He is said to be one of the most expert thieves in this line in the country. He was caught by W. A. Rotty, a business man here from whom he "nipped" a \$250 shirt stud.

MILWAUKEE, Sept. 10.-The Hoosiers got even with the "Brewers" for a portion of the drubbing that they have received here by winning to-day by a score of 8 to 2. Pitcher Cross was almost invincible when Milwaukee had men on bases and needed runs, and the Indianapolis players put up a grand game behind him. They made but one error, by Roat, and it was excusable. Baker was hit freely in the fifth and seventh innings. Indianapolis scored its first run in the fourth on singles by Motz and Mills and an error by Bolan. In the fifth singles by Cross and Henry and a home run by Gray got in three. Singles by Mills and Roat and a sacrifice by Westlake scored one more in the sixth, and an error by Taylor and singles by Gray. Motz and Westlake three more in the ninth. Team Will Battle Once More. The Indianapolis club, which plays baseball more or less, will be home to-day. They will not be welcomed as conquering heroes exactly, but there are people who will be glad that they are to go on no more long trips. This afternoon, at the East Ohio-street park, they will "go up against" the Cincinnati National League team, of which Mr. "Arlie" Latham is the most entertaining performer, so far as the crowd is concerned. Other celebrities on the team are McPhee, Comiskey, Holloway, Parrott, Smith, Hoy, Canavan and Murphy. The pitchers to-day will probably be Wittrock and Cross. It will be recalled that when these two clubs last met these two men were the pitchers, only then Cross was on for Cincinnati and Wittrock for Indianapolls. The game to-day will be called at

To-morrow afternoon the Kansas City team, which is a close second in the Western League race, will begin a series of three games here, to be followed by Min-neapolis for three games. After to-day all championship games will be called at 3:30 o'clock sharp. Murphy has been released, as Westlake is catching good ball. Stolen bases are com-

paratively infrequent since he went in. FIREMEN'S BROTHERHOOD. Grand Officers Friendly to Debs Will

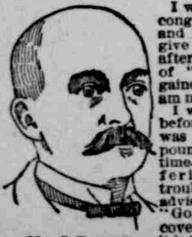

Be Turned Down. Special to the Indianapolis Journal. TERRE HAUTE, Ind., Sept. 10.-When the grand officers of the Brotherhood of Locomotive Firemen left here a few days ago for the international convention, which assembled to-day at Harrisburg, it was known that there would be a lively contest over the re-election of at least two of the officials, Vice Grand Master Hannahan and Grand Secretary and Treasurer Arnold. Both of these had been known as Debs men, and from that fact there arose a spirit of opposition to their re-election. The influence of Debs in the organization has been all powerful until since the failure of the Pullman boycott strike. Now the other side is beginning to assert itself. One of the trustees said: "We have all been cowards, but at Har-risburg things will be called by their right

Mr. Elroy Glenn, the delegate from Debs's home lodge here, went to Harrisburg to oppose Arnold, and the latter's friends here secured affidavits to show that Glenn is an A. P. A., the idea being to make it appear that Arnold is the victim of A. P. A. prejudice. It so happens, however, that Arnold is also opposed by Catholics in the order. One of the prospective candidates for his place is "Billy" Hynes, of Denver, now chairman of the board of trustees, and who is a devout Catholic. It is believed here that if Debs can get away from Chicago he will go to Harrishure. from Chicago he will go to Harrisburg to
